Fairfield Museum and History Center Hosts Inaugural Fundraiser

FAIRFIELD (May 1) The Fairfield Museum and History Center is extending an open invitation to celebrate its completion! The museum, located at 370 Beach Road behind Town Hall, is hosting a moving-in party, providing an evening of music, cocktails and picnic supper for the community to preview its newest cultural treasure.

“We are excited to share this new cultural facility with the community, which is sure to be a resource for generations to come. We invite everyone to come see for themselves this wonderful building where events, lectures, workshops and the like will benefit all who come,” said Michael Jehle, the Fairfield Historical Society’s Executive Director.

The event takes place on Friday, May 18 at 7:00pm at the museum, located at 370 Beach Road. Tickets are on sale now, beginning at \$50 per person. To get your tickets to one of this month’s most talked about social events, call 259-1598. Spaces are limited.

The event’s title sponsor is People’s Wealth Management and Trust. Additional sponsors include Centerbrook Architects, Tallman Building Company, William B. Meyer Inc., Connecticut Cottages & Gardens, Alliance Heating and Air Conditioning, Brake Fire Protection Inc., Forger Kunkel Plumbing, Mo’s Wine & Spirits, Southport Brewing Company, and Yankee Electric.

Once the new library, and exhibits are in place, the museum will hold it’s grand opening, set for September 16. At that time, the community will be invited to explore the museum’s modern galleries filled with treasures dating back to the 1600s, relax in the reading room, visit the educational classroom, and browse its new museum shop – there will be something for everyone to enjoy. Be sure to mark your calendars!
